Trans Health SA Directory

218 affirming practitioners and services across South Australia · Current as at 31 October 2026

Grouped by location, then alphabetically by name within each. Practitioners working across several places appear under each of them. Other orderings are on the site.

Community-sourced and always changing — check transhealthsa.com/directory/ for the current list, and tell us at transhealthsa.com/practitioner-list-addition/ if an entry is wrong or someone is missing. Every entry prints its own page address; the full description, map and contact links live there.
